Re: MB Docket No. 15-149/Support

Dear Chairman Wheeler:

As the elected City Prosecutor for the City of Long Beach, California, I am writing in support of the proposed merger between Charter Communications, Time Warner Cable, and Bright House Networks.

Charter Communications, especially through its Local Edition show with host Brad Pomerance, has helped to share information about events, programs, and news affecting the City of Long Beach. Our state has had many changes in its criminal justice system, and Charter has been critical in sharing vital information within our community and the region.

This merger improves access for thousands, if not millions, of households. Communication flow is an essential component for everyone in government and our community.

For these reasons, I am in support of New Charter.

Sincerely,

Douglas P. Haubert
City Prosecutor
